ACKNOWLEDGEMENT

Whatever I am able to put forward in terms of outwork, is only due to few people from whom I have learnt. Thus, it is a great pleasure in mentioning their names.

Working on the live project was very interesting and really enhanced my knowledge.

I would like to express my sincere gratitude to our beloved principal **Mrs. Aruna P. Kamath** without whose permission I would not be able to do my project and for taking keen interest for the students of BCA in providing useful guidelines and giving all the necessary facilities.

I extend thanks to my guide **Mrs. Shashikala Shetty**, Assistant Professor of Computer Application Department for his valuable guidance and constant encouragement, which helped me in successfully completing my project.

Finally, I extend thanks to my parents and friends who were directly or indirectly involved in the completion of my project.
